Reference Letter

We, the company Bühler, Business Area Leybold Optics, need reliable and innovative partners to provide the right solutions to customers.

The company Adenso is a supplier of Handling Systems since 2014 to us.

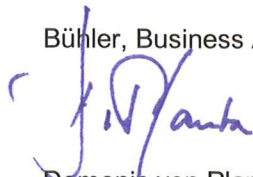

At any point of this successful cooperation, we were able to fully rely on the expertise and reliability of Adenso.

Adenso absolutely convinced us with

- Flexible solutions
- Great engagement
- Timely implementation of projects
- Creativity

We fully recommend Adenso and thank them for their excellent partnership.

Bühler, Business Area Leybold Optics
